# Discover. Review. Start a conversation.

---

**01**

## Discover a work

Explore content types and work descriptions to find stories that fit your interests.

---

**02**

## Review the terms

Check available materials, pricing, rights scope and contract duration.

---

**03**

## Talk to the creator

Discuss exclusivity, delivery and other requirements through enquiries and proposals.

---

**04**

## Keep the record

Revisit conversations, proposals and agreed terms in your account.

### FOR CREATORS

## Introduce your finished work.

Prepare your company profile and content materials. Start a focused conversation with the next partner.

### FOR BUYERS

## Find your next story.

Review the work and its creator, then discuss your target markets and delivery requirements.

# A market for stories. A place for proposals.

## CONTENT MARKET

**Take completed content  
into its next market.**

Explore work descriptions and public materials. Talk with creators about pricing, rights and delivery.

## PROJECT MARKET

**Explore what you  
could create together.**

Review production requests, pre-purchase opportunities and investment proposals. Discuss project needs and terms.

## BEFORE YOU BEGIN

Works and projects marked SAMPLE are fictional demonstrations, not records of real transactions or fundraising. Payment and escrow functions are currently demonstrations: they do not accept, hold, disburse or refund real funds. Rights and contractual terms must be confirmed and agreed between the parties.

# The End. A New Beginning.

**60** SECONDS

**Where completed stories  
find their next market.**

A creator and a buyer see the possibilities in a story. SceneDeal brings their perspectives together.

**KOREAN ORIGINAL + 4 SUBTITLE EDITIONS**

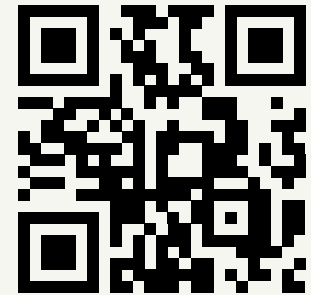

English / Vietnamese  
Simplified Chinese / Japanese

Korean audio and in-scene Korean text remain.  
60 seconds / 1920 x 1080

# Meet the next market for your story.

Explore the works. Get to know the creators.  
Start your next conversation on SceneDeal.
